

# THE EPHE IS COMMITTED TO FIGHT AGAINST HARASSMENT

## ◆ IDENTIFY THE DANGER

Harassment means saying or engaging in repeated behaviors that can harm the rights, dignity, physical health or mental health of others. Harassment is a serious crime and it is condemned by law (article 222-33-2 of the French Criminal Code).

## ◆ REACT

Harassment isolates people and compromises your educational experience. If you think you are a victim or if you witness an act or situation of harassment, it is essential to report it.

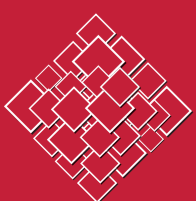

## ◆ GET HELP

The School has activated a listening and counseling service which can be reached at any time at:
